

INTERNSHIP COMPLETION LETTER

HOD
GSFC University

Date: 04/06/2025

This is to clarify that JALP PATEL, a student of GSFC UNIVERSITY, has successfully completed internship in App Development Internship at V-Ex Tech Solution from to .

During his internship, he contributed to the development of mobile applications, focusing on UI integration and feature implementation. He quickly adapted to mobile development tools and best practices.

His performance was notable. He worked with Android Studio, Flutter, or React Native, delivering clean, efficient, and user-friendly features.

We value his contributions and wish him great achievements ahead.

Regards,
