Dear Sir/Madam,

This is to clarify that JALP PATEL, a student of qwerty, has successfully completed internship in qqqqq at V-Ex Tech Solution from 01/05/2025 to 31/05/2025.

During her tenure, he worked on various aspects of full-stack development, including frontend and backend programming, API integration, and database management. He actively contributed to web development projects, demonstrating strong problem-solving skills, logical thinking, and a deep commitment to learning.

His performance throughout the internship was commendable. He exhibited a solid understanding of full-stack technologies, including HTML, CSS, JavaScript, React.js, Node.js, Express.js, and MongoDB. He showed initiative in handling both client-side and server-side development tasks efficiently, making him a valuable asset to the team.

We appreciate his efforts and wish him all the best for his future endeavours.
